Dear Parents,

Welcome to the 2010-2011 school year! As we begin this exciting year together, we look forward to working with you, our dedicated staff, and our Board of Education to provide the highest quality educational experience for all of our community's children.

In the annual back to school packet, you will find the early release schedule for 2010-2011, the one-page calendar with important dates for 2010-2011, a student/parent handbook, and forms that will assist us in supporting your child's experience. If you have any questions after reading the packet, please don't hesitate to call the District Office at 847-446-9400.

In addition to the information enclosed, we encourage you to read the material sent directly from your child's school and to check our District website frequently for policy and procedural information and other District updates. The website address is www.winnetka36.org.

Most importantly, our staff is dedicated to ensuring that each child has an exceptional school experience. In order to make this happen, all staff members are committed to working closely with parents, and are well prepared to answer your questions and help each family successfully navigate the new school year.

As we approach the start of another wonderful school year, we want to thank you for your ongoing support and for providing us with the opportunity to work with you and your children. Please don't hesitate to contact us should the need arise.

Warm regards,

Kenneth Cull, Ed.D.
