Please use this space to describe any special educational needs that we should know about to help us with your child's placement.

REGARDING AM/PM PLACEMENT REQUESTS:

- Be sure to include reason.
- Your preference is only one of many factors used to determine placement. Please understand that Greeley is a public school and we are not always able to accommodate everyone's requests.
- Please understand that an AM/PM request does not guarantee a child's placement, and therefore it is prudent to refrain from enrolling your child in any AM/PM-specific activities until after you receive placement notification from Greeley in April.

**You will receive AM/PM placement notification by mail in April.**

**You will receive teacher assignment by mail in August.**
