August 1, 2011

Dear Parents,

Welcome to the 2011-2012 school year! Although every school year is special and unique in its own rite, this one promises to be even more so. With several new Board members, administrators, teachers, and other staff, we are very excited about blending together the very best of Winnetka's rich past and traditions with new ideas, energy, and possibilities.

As we begin this exciting new chapter together, we look forward to working with you, our dedicated staff, and our School Board to provide the highest quality educational experience for all of our community's children.

To start on some of the preliminary logistics, in the annual back to school packet, you will find a student/parent handbook, and forms that will assist us in supporting your child's experience. If you have any questions after reading the packet, please don't hesitate to call the District Office at 847-446-9400.

In addition to the information enclosed, we encourage you to read the material sent directly from your child's school and to check our District website frequently for policy and procedural information and other District updates. The website address is [www.winnetka36.org](http://www.winnetka36.org).

Most importantly, our staff is dedicated to ensuring that each child has an exceptional school experience. In order to make this happen, all staff members are committed to working closely with parents, and are well prepared to answer your questions and help each family successfully navigate the new school year.

As we approach the start of another wonderful school year, we want to thank you for your ongoing support and for providing us with the opportunity to work with you and your children. Please don't hesitate to contact us with questions or feedback.

Warm regards,

Dr. Thomas Hagerman  
Superintendent
