

October 4, 2010

Dear Parent/ Guardians of the High School Class of 2015:

We hope this letter finds you and your child enjoying the final year of their junior high experience. We will soon begin the process of registration for New Trier High School. Transitioning the Class of 2015 to New Trier begins with the enclosed registration form.

Please complete the enclosed Incoming Freshman Student Registration Form and Ethnicity/ Race Identification Form and return it with the correct postage in the enclosed self-addressed envelope no later than October 15. This information is used to enter basic data into our system prior to the course request process. If you do not return the registration form, you will not receive a course selection packet in February. If your student does not plan to attend New Trier, please fill in the student name, parent/guardian name and address, and the name of the school attended during the 8<sup>th</sup> grade. Draw an "X" through the rest of the card and return it to us. If your student is considering attending a different high school, it is still important to complete this form and return it to us in order to receive future mailings from New Trier.

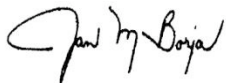

The forms should be mailed to: The Office of the Registrar, New Trier High School, 385 Winnetka Ave, Winnetka IL 60093

Please reference our Transition to New Trier Webpage to learn more information throughout the year regarding events, timelines, and frequently asked questions about the transition process.
