May, 2009

Dear Parent(s):

It is the practice of the district to plan for buses on the basis of the number of registered riders. Therefore, it is necessary for parents to register their child(ren) now for bus transportation for the 2009-2010 school year. Starting this year, bus transportation forms and routes can also be found on the district website (<http://www.winnetka36.org/Parents/index.htm>).

If registered and paid prior to June 30, 2009 the cost of bus transportation for the 2009-2010 school year will be as follows:

First rider in family	\$376
Second rider in family	\$334
Third rider in family	\$322
Fourth rider in family	Cap family fee at \$1,239

For example, the cost for 2 children will be \$710 (\$376 plus \$334) if paid prior to June 30, 2009.

A one time \$50.00 late fee will be applied to any current family registering after June 30 on a space as available basis.

Refer to the attached list and indicate the bus stop closest to your home on the registration form. Please note that based on the needs of the riders, routes do change somewhat from year to year.

A mailing will be sent before the beginning of the 2009-2010 school year only to registered riders with the bus stop pick up and drop off time.

Sincerely,

Shelley Clark  
Chief Financial/Operating Officer
