

August, 2009

Dear Parents:

Enclosed are the bus routes for your child's school for the 2009-2010 school year. All students are expected to have their bus passes with them in order to board the bus. Also included are maps for the morning pick-up.

In order for students to be transported safely, please discuss these rules with your child(ren):

- Be courteous to other riders and the bus driver
- Do not use any profanity
- While on the bus remain seated at all times
- Keep your hands and head inside the bus
- Keep the aisle clear of all books, instruments and other belongings
- No eating or drinking is allowed on the bus
- Never walk in front or behind the bus or close to the wheels or sides. Stay at least ten feet from the bus and wait until the bus comes to a complete stop.
- Under no circumstances will any student be allowed to get off at a different stop without written parental permission.
- Please have your child(ren) at the bus stop at least five minutes prior to the time of pick-up

If you have a child in kindergarten riding the bus, a parent or caregiver should be at the mid-day stop to pick them up. If a parent or caregiver is not at the stop, the child will be brought back to the school and arrangements must be made to pick up your child from the school.

We look forward to a safe and successful school year. If you have any questions, please call the Business Office.

Sincerely,

Shelley Clark
